BE THE ONE WHO GETS THINGS DONE

Golden Gate University's project management degrees and certificate programs teach the latest tools and techniques with a big picture view that make students valuable assets to organizations.

For professionals wanting to advance their careers, the programs provide essential skills to succeed in management, such as complex leadership, analysis, and communications. Designed and taught by PMP®-certified faculty with real-world expertise, the rigorous course content is integrated with the Guide to the Project Management Body of Knowledge (PMBOK®).

Courses are offered online and in person in San Francisco. Each project management course at GGU earns students 35 CEU/PDUs, fulfilling the academic requirement for the Project Management Professional (PMP®) credential (which also requires experience in the field). GGU is a Project Management Institute (PMI®) member.
